|| Life Predictions ||

Character

You are a sensitive and emotional person. The hard knocks of this world have more effects on you than they have on most other people, and you lose some of the enjoyment of life in consequence. What other people say and think of you is taken by you to heart. Thus, there are a certain number of things which cause you unhappiness which, after all, are not worth troubling about.Your manner is quiet, as a rule, and this quality gives you the appearance of being strong and determined in the eyes of your fellow-men and women. It enables you to get your own way when you want it.You do not say as much as you think and while you are thinking, you are reasoning. It follows that your judgement is worth having and people will flock to you for advice.You have several excellent qualities. You are highly sympathetic, which makes you a good friend. You are loyal and patriotic and are thus a first class citizen. You are, or would be a most lovable parent. You are, or would be, everything that your partner could desire. Clearly, the good qualities of yours far outweigh the others.

Happiness And Fulfillment

You have the ability to truly enjoy yourself in the company of others. Quite cheerful and pleasant, you are not afraid to laugh and usually have an excellent sense of humor. Your mind is influenced strongly by beauty, and you may bring it prominently into your environment. Anyone who can bring beauty into his or her surroundings is more prone to happiness.

Life Style

You are precisely the one, people are talking about when they say that behind every successful person there is a lover. Your marriage partner will motivate you to accomplish your objectives.

|| Life Predictions ||

Career

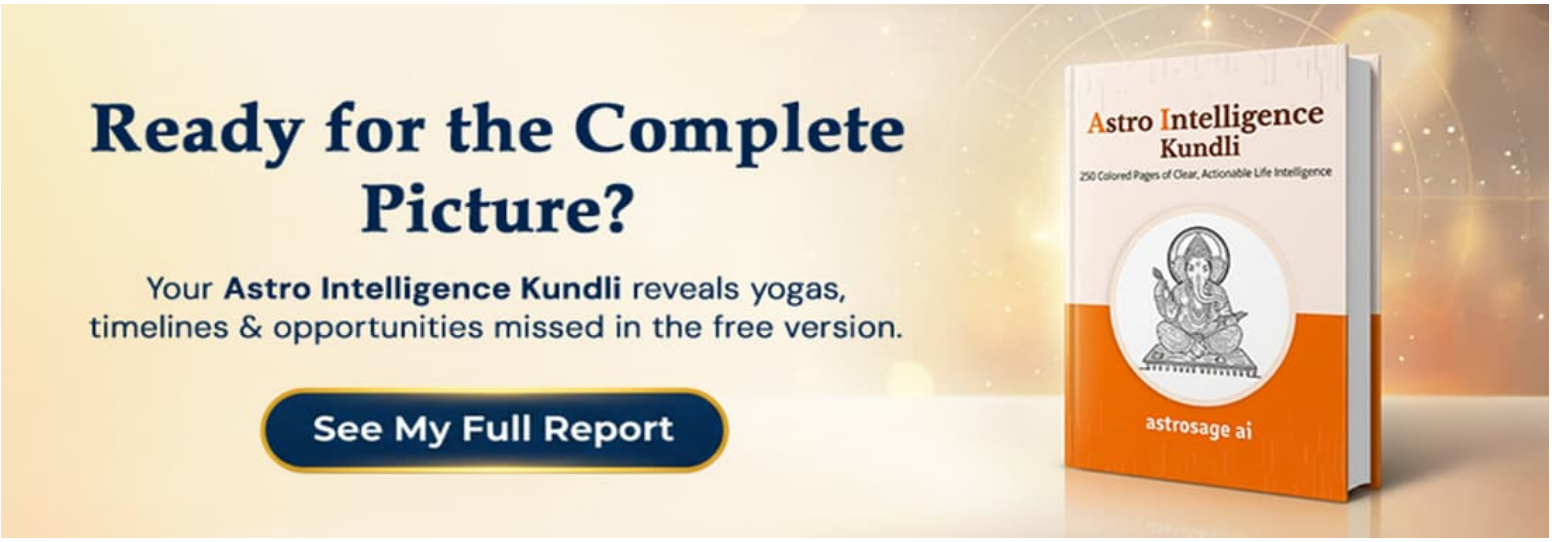
You should find jobs which involve you with groups of people and where there is no pressure to meet commitments and responsibilities on a commercial level. You would find success in a career which would help people, such as group leadership.

Occupation

There are many forms of work that you could take up with entire success. All those occupations that depend, primarily, on passing examinations are within your range, since your are quick to learn and the grind necessary for their success is not a matter that irritates you. Your capacity for detail is valuable in a thousand widely different jobs. You would make an excellent journalist, not a bad detective. As a teacher you would be probably very good whilst your facility for remembering faces would be a valuable asset as a shopkeeper. What panders more to a customer's vanity than to be able to tell him everything that he discussed on his last visit ? You have a wonderful gift for doing this. As has been said, you are not exceptionally good in posts where leadership is required. But you would do well in almost any capacity where decisions have to be made. You are not fitted for the work of a commercial traveller and, generally speaking, the sea does not attract you.

Health

Above all things, you must avoid overwork and overstrain. You are prone to both and your nature is such that they are particularly harmful to you. Be careful to get sufficient sleep and do not plan things while lying in bed. Try to make your mind a total blank then. If possible, look upon the week-end as a time for complete rest and not one in which to do all the odd things that have been held up during the week. Too much excitement is decidedly bad and a time of hurry and flurry will take more out of you than it will from most people. Therefore, try to live a serene and peaceful life. Do not worry over what cannot be helped. You are apt to suffer from such complains as insomnia, neuralgia, headaches and eye-strain after the age of 30.



|| Life Predictions ||

Hobbies

Vigorous pastimes attract you most and they do you the most good. A really fast game like football, tennis, etc, is a capital outlet for your energies and you will be all the better for it. You will like walking when middle-age is reached, but you will think more of a fourteen than a four mile walk. On holidays, you will not want to sit the beach and wait for the next meal, with only a newspaper to amuse you. The most distant hills will beckon to you, and you will want to know what they look like close to.

Love Matters

You need love as much as food. You are capable of deep affection and make excellent partner. You must guard against marrying someone with a lower status than yours because you lack just the toleration required for making such a union success. You are a true charmer, have excellent taste and tend to seek contact with artistic people.

Finance

You are not likely to be lucky with partners in business. You will be more likely to be architect of your own fortune than receive much help from others. But, there is no reason for you not to eventually succeed and even become wealthy. In matter of finance, your quick-witted clever brain will give you great opportunities. At times your are likely to be very rich and at other times the reverse. When you have money you will be extravagant, when without it you can adapt yourself to the lowliest sphere. In fact, the greatest danger is that you are by nature too adoptable to others as well as to conditions. If you made the effort to hold your nature in check, you would easily become a success in whatever enterprise, industry or work you became associated with.

|| Life Predictions ||

Education

You will be known for your exceptional speaking skills and your communication skills will help you shine amongst your peers for a long time. You will become smart and your memory will become sharp, due to which you will be able to remember anything easily for a long time. This special aspect of your personality will help you achieve success in your studies. You will also develop an interest in learning various things about religious scriptures. You will prove your excellence by spreading dominance over subjects like Mathematics, Statistics and Logic. You are gifted the virtue of analyzing things in a detailed manner which can very soon turn into a vice. To prevent things from falling apart, you should work on your concentration skills in order to become the topper in your respective field.

|| Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Third house from Lagna, while in the Moon chart Mangal is placed in Ninth house.

Hence Mangal Dosha is present neither in Lagna Chart nor in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

Some Remedies (in case Mangal Dosha is present)

Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

Remedies (can be performed after marriage)

1.Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2.Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3.Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

1.Feed birds with something sweet.
2.Keep ivory (Haathi Daant) at home.
3.Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

Note: Above predictions are of general nature and are based on general belief that Sade Sati is harmful. Truly speaking, we found that it is not always the case and we recommend reading this article on Sade Sati. Any conclusion based on Sade Sati alone is not correct and has good chances of failing. Certain factors like current running dasa and nature of Saturn also needs to be analyzed before we can conclude whether Sade Sati period will be malefic or benefic. You are advised not to take above forecasts seriously and in case of any doubt, consult a good astrologer.

|| Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calcualtions by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
